Rankin corres file

Meller deposition 3/25/64

File Corres/ relating to photographs and press clippings 11/63-2/64
Curtis (Altgens?) Black Star, Shel Hershorn, "environs of Parkland Hospital";
LIFE, Arthur Rickerby, Environs hospital; AP has Moorman ~~45~~ rhs71555cor)1963;
Same file, 3/64-11/64

JLR tto JEH 4/3/64 return of two Moorman pix; 3/18/64, Rankin-Hoover, also
on subject (ref tp 486) Note this and the previous one cannot possibly
be the Commission's file on photogtaphs. There is much of which I knowntht
that is not even mentioned in it. If, on the other hand, it is a complete
file, then it is an awful indictment of the Commission and the wayit did
not do the obvious.

Three large files labelled "Correspondence concerning films and tape recordngs",
the first 11-63-4/64

KRLD inventory of fil, tape, 19 pp. Reel 6, 36:00 of it, "Doctor's press
conference and explanation at Parkland..." Reel27 includes doctors,
including Shirew, on "discussion of Oswald and Kennedy's death at Parkland"

Total, 69 reels

Half-inch thick sheaf of ABC mimeo on what they carried

Same subject, file May 1964: uch on the DCA, but not any reference to the
important sequences. Same subject, file June-November 1964:

1/24/67 File Investigative Reports Relating to Photographs and Films, 1964:

A numbr of the FBI simple reorts of interieus with the whose films were
used in theDCA film do not even state where the photographers stood.
